COURSE PLAN METHODOLOGY:

- ❖ The course plan assignments begin with the last fourteen Lessons of *Henle First Year Latin* (Book I), and continue to *Henle Latin Second Year Latin* (Book II).
- ❖ Henle Latin Book II is set up differently from Henle Latin Book I. The first sixteen lessons of Henle Latin Book II are devoted to review of concepts learned in Latin I. The remainder of Henle Latin Book II is devoted to new material, and to the translation of Caesar.
- ❖ The Course Plan starts out with much extra information in the **Key points** in order to help you learn the language of Latin grammar and guide you into using the Henle text. Each lesson should be read in full and each new concept studied carefully through out the week.
- ❖ There are intentionally more exercises on each concept in the Henle text than many students will need.

Because of this, a list of exercises that may be omitted or shortened is given in the course plans for each Lesson. How many of these exercises are completed is left to the discretion of the teacher. However, the student should at least complete all the exercises marked "essential." **If possible it would be good practice to give weekly, closed book, quizzes or tests, using questions from the exercise sections in the Lessons of the student book.**

- ❖ Kolbe's quarterly exam will cover those chapters laid out in the lesson plan. If you deviate from the course plan, alter your test to reflect the chapters your student covered.
- ❖ Pronunciation is not of paramount importance as it would be in a modern language. Sound out words carefully, consulting the pronunciation guide. Note that the pronunciation guide provided in this course plan differs a little from the one Fr. Henle provides. Choose one method of pronunciation, and consistently use it. One need not, however, be overly concerned about pronunciation.
- ❖ Memorization is key to learning any language. A diligent student should keep flash cards and devote fifteen to twenty minutes daily simply to memorization. Emphasis should be placed on verbal, written and aural repetition and memorization, as these are the primary ways to learn a language. Repetition does not equal drudgery. In the book, and in individual classes, repetition can take the form of games, contests, etc. This is especially helpful for younger students.
- ❖ Not all memorization assignments listed in the Henle text will be re-iterated in these course plans. It is essential that the student complete all memorization assignments in the text.
- ❖ English grammar sources should be used when necessary to clarify grammatical points.

GRADING:

If you choose to follow the suggested grading scheme on the next page, you will need to grade your student in three separate areas; grammar and vocabulary, translation, and oral Latin and derivatives. The assignments for each chapter in Wheelock Latin and the workbook can be easily categorized as follows:

1) Grammar & Vocabulary: the proper understanding and usage of Latin grammar and vocabulary words introduced in each Lesson. The proper understanding of English derivatives of Latin words should also be graded under this category.

2) Translation: the "essential" and non-essential Exercises and Readings in each Lesson, as well as Caesar passages in the front of the textbook

3) Oral Latin: periodically evaluate your student's Latin pronunciation according the pronunciation system being used.

The questions in the quarter exams are also divided into these categories, minus the Oral Latin portion.

SUGGESTED GRADING:

Subject	Final Exam Grade	Weekly Average	Quarter Average
Grammar & Vocabulary	Grammar & Vocabulary Exam Grade	Weekly average	$(\text{Final} + (\text{weekly} \times 2)) / 2$
Translation	Translation Exam Grade	Weekly average	$(\text{Final} + (\text{weekly} \times 2)) / 2$
Latin II Grade	Add the above and divide by three	Add the above and divide by three	Add the above and divide by two
